

Foundation Status

Diamond Hearts Foundation, Inc. is a tax exempt organization and has applied for its 501(c) (3) public benefits exemption from the United States IRS.

The Foundation does accept donations, which may be tax deductible as per USA IRS regulations (please see your accounting professional for current statutory tax regulations).

Make a Donation

Research • Development • Education • Implementation

People have many different reasons for contributing. You may understand the inherent nature of entrusting data as precious as Family and Individual Story legacies to be kept forever, you may be putting a donation towards your future generations of family members so that they will always have access to your Story.

Whatever your motivation, we're grateful for your gift, no matter what its size.

Donation Options

Donate now using your credit card.

Make a check to the address given below:

**Diamond Hearts Foundation, Inc.
Apple Valley, CA 92307 USA**

Give a gift of stock. For wire transfer instructions, or any other information regarding stock gifts, please **contact us**.

Real estate and persona property gifts are also welcome. Please **contact us** for more information.

Consider a **planned gift**. Make a commitment today that will benefit Stories of your Family members in the future.
